

Figure 2: HRSN Column to Identify Medicare or Medicaid Patients Requiring Screening

The figure consists of three screenshots from the Epic EHR system, each highlighting the 'Offer HRSN' column. In the first screenshot, the 'Department Appointments Report' shows a table with columns for Date, Appt Type, Patient, Phone, Provider/Resource, Appt Status, Type, Appt Notes, and Offer HRSN. The 'Offer HRSN' column for the first row is set to 'Yes'. The second screenshot, 'Hyperspace', shows a schedule view for 8/29/2018 with a table listing appointments. The 'Offer HRSN' column for the 8:00 appointment is 'Yes'. The third screenshot, 'ED Track Board (HUMC Emergency Trauma Center)', shows a table with columns for Bed, Hal, Res, Die, SIR, Patient, TT, Complaint, A, RN, MD, HRSN, Pri, Sec, Bed Assign, Bed Stat, MS, and Dispo. The 'HRSN' column for the first row is 'Yes'.
