

Table 2: Respondents' Approach to Information Exchange Between the VA and HIE, N=37

<i>Do you know the percent or number of individuals eligible to utilize VA health systems or services within your clinical data repository or exchange?</i>	N	Percent
Definitely yes (population identified and calculated)	4	10.8%
Probably yes (population easily identified but not calculated)	10	27.0%
Probably not (population difficult to identify and calculate)	13	35.1%
Definitely not (no capability to identify status)	10	27.0%
<i>How many VA hospitals are you actively exchanging information within your coverage area?</i>		
None at this time	23	62.2%
Some but not all	3	8.1%
Majority of hospitals within the coverage area	1	2.7%
All VA hospitals in our region are connected	9	24.3%
Unsure	1	2.7%
